

This is a multi-part message in MIME format. Dear Liz, You have an upcoming loan payment on 2014-07-18 for \$78.72 for your Prosper loan. No action is required on your part: the payment will be automatically deducted from your primary bank account on file on 2014-07-18. Automatic payment date: 2014-07-18 Payment amount: \$78.72 Bank account: Minnequa Works Credit Union, ****2624 Please make sure that your bank account has sufficient funds to cover your payment. If insufficient funds exist, you may be charged a failed payment fee by Prosper and an insufficient funds fee by your bank. Since the payment transaction is initiated on the business day prior to the payment due date, any changes to your primary bank account must be completed two (2) business days prior to the payment due date. Thank you for being a part of the Prosper community. Regards, Prosper Dear Liz,

You have an upcoming loan payment on 2014-07-18 for \$78.72 for your Prosper loan. **No action is required on your part:** the payment will be automatically deducted from your primary bank account on file on 2014-07-18.

Automatic payment date: **2014-07-18**

Payment amount: **\$78.72**

Bank account: **Minnequa Works Credit Union, ****2624**

Please make sure that your bank account has sufficient funds to cover your payment. If insufficient funds exist, you may be charged a failed payment fee by Prosper and an insufficient funds fee by your bank.

Since the payment transaction is initiated on the business day prior to the payment due date, any changes to your primary bank account must be completed two (2) business days prior to the payment due date.

Thank you for being a part of the Prosper community.

Regards,

Prosper
